

Russell Square House

Russell Square, London, WC1

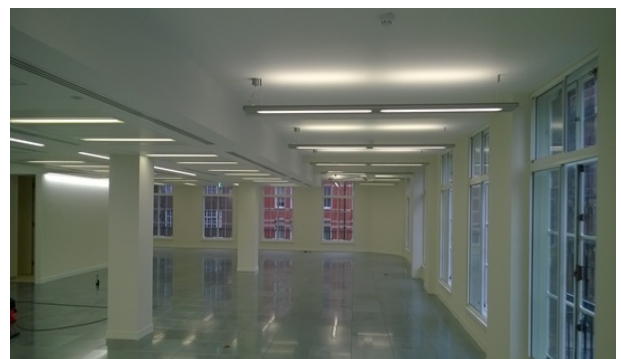

Client:Paragon

Project Value: Anticipated £1,100,000

Scope of Works

Complete refurbishment of the electrical services to selected floors.

Complete refurbishment, including strip out, modifications to existing distribution system, installation of new small power, lighting & lighting controls, emergency lighting & illuminated signage, new fire alarm system, access control/security system, CCTV & disabled alarm, earthing & bonding. Parts of the building remained occupied throughout the construction period, so it was essential that strict guidelines were adhered to in respect of noise & conduct. Contractor : Occupier relationships had to be maintained at all times. The completed building is to be multi-tenanted, predominantly utilised as office space.
