

Imperial War Museum

Client:Buxton Building Contractors Limited

Project Value:

Scope of Works

Refurbishment of the electrical services

Winters were employed to carry out the design supply and installation of the Electrical Services, to two galleries at the Imperial War Museum, when areas of the building were refurbished. This included the design of Lighting System Controls, the Fire, Life and Safety, and PAVA systems, to the World War II Gallery and the Holocaust Gallery. In addition, we were required to design, supply and install a temporary fire alarm, to provide cover during the project works being undertaken
