

Stonex - Middlesex University

Client:Overbury

Project Value:

Scope of Works

The Design & Installation of Sports Science and Health Facilities for Middlesex University

The project included the electrical fitout of the newly built West Stand, of the Stonex Stadium, which is the home of Saracens Rugby Club in Hendon. Winters contract related to two floors of the stand, which Middlesex University have a long-term lease to occupy. These floors will be used by the Sport Science and Health Facilities departments. Our work included the design and installation of the following electrical services: New lighting and control systems, emergency lighting, small power, mechanical supplies, nurse call systems, Medical Bedhead Systems, and containments for fire alarm, CCTV & security systems.
