Adelphi Theatre
London

Client:LW Theatres
Project Value: Â£456,442

Scope of Works
Design, Installation and commissioning of the PAVA and Fire Alarm.

Winters Electrical completed the design, installation and commissioning of the PAVA and Fire alarm system within the front and back of house areas.Â Winters Electrical have carried out training on how to use the system correctly, allowing the venues staffto react accordingly when required.Â Winters Electrical will go on and maintain the system along with other vital safety equipment and procedures within the venue.Â The Adelphi Theatre is co-owned with the Nederlander Group. Throughout its fascinating 200-year history, the theatreâ€™sgorgeous art deco interiors have hosted Andrew Lloyd Webberâ€™s Sunset Boulevard, Phantom-sequel Love Never Dies,the record-breaking One Man Two Guvnors, gloriously glam-drag Kinky Boots, and Sara Bareillesâ€˜ hit Broadway musical Waitress. Currently, the Adelphi is home to the stage adaptation of the classic Hollywood film Back To The Future â€“ winner of the 2022 Olivier Award for Best New Musical.
