Burlington Arcade

London, W1

Client:Lancsville Construction Ltd
Project Value: £501,000

Scope of Works
Refurbishment of shopping arcade, including additional fire alarm provision.

Improvement & refurbishment of an almost 200 year old Grade II Listed Arcade.Installation of electrical services to high class West End shopping arcade, including power, emergency lighting & feature lighting, all with maintenance switching facilities, with the aim of improving the interior lighting, increasing lighting levels & highlighting architectural features. Additional fire alarm provision (by Winters Fire) connected to the existing system. Data & security systems also modified and extended.All works carried out whilst the arcade remained fully open to the public. Some works, however, were undertaken at night.Contract ongoing, Photographs will follow on completion of contract works.
