

Truro House, Hockerill College

Bishops Stortford

Client: Ratcliff & Burridge

Project Value: £328,000

Scope of Works

Fit-Out of College Facilities

The works comprised the major refurbishment & fitting-out of Truro House, to provide enhanced study & welfare facilities.

Works comprised a major upgrade to the mains distribution system, & the provision of enhanced power & lighting installations. New voice & data systems were installed, along with a new fire alarm system, which also had to be interfaced with the existing systems within other blocks on the site.

Whilst on site we also carried out a refurbishment of the College's Medical Centre, with all works being undertaken over the Christmas holidays, when both pupils & staff were on holiday.
